

Sunway University 1+2 Transfer Application Instructions

How to apply:

From this year we are asking you to apply to Lancaster through the University and Colleges Application System (UCAS): <https://www.ucas.com/>

In this document we have written some specific information about how to complete your application as a student from a partnership programme. Further general information about applying can be found on our website: <https://www.lancaster.ac.uk/study/undergraduate/how-to-apply/>

There is a small fee required to submit your application through UCAS. The current cost (2021 entry) to apply for one course at Lancaster University only is £20. If you apply for more than one course at Lancaster University, there may be an additional cost. We recommend that you only apply for one course, but if you intend to use your UCAS application to apply to other universities, you should consider submitting a full personal statement and reference.

Any questions: If you have any questions about the application process or the programme you can contact us at sunway.enquiries@lancaster.ac.uk or ugadmissions@lancaster.ac.uk

Priority application deadline: 30th April
